Ed Ruscha

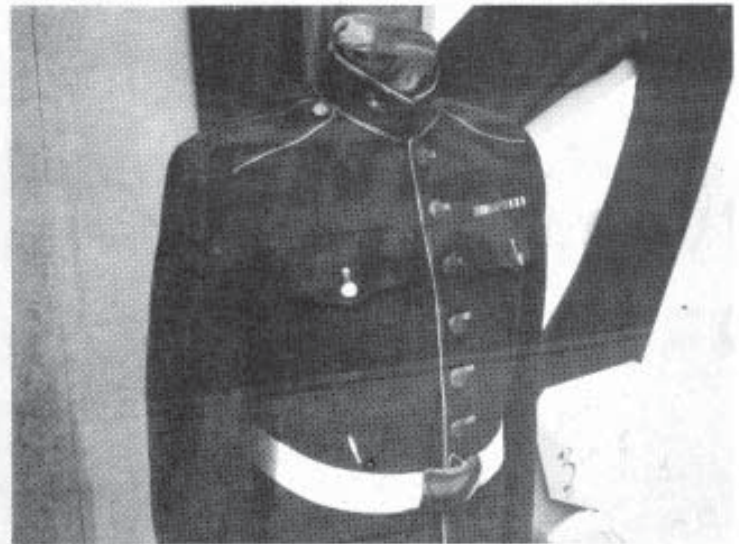

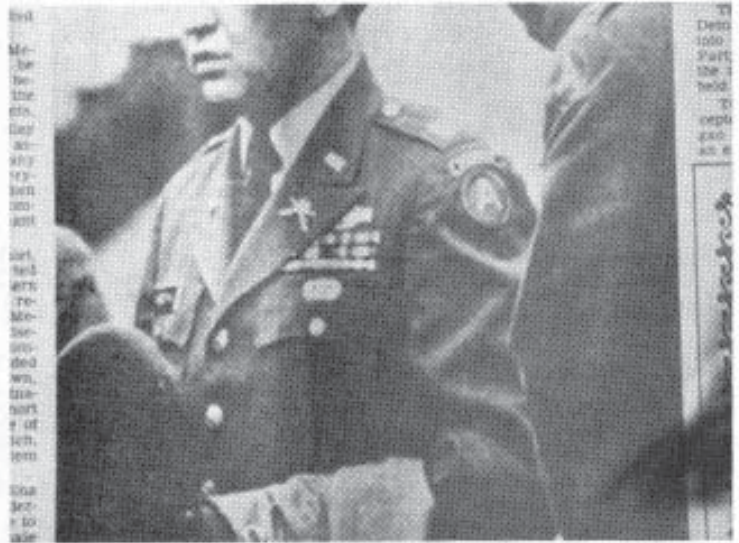

Ed Ruscha is self-evident. These are his photographs. He has written some books. Here are some titles: *Twenty-six Gasoline Stations*, *Various Small Fires*, *Some Los Angeles Apartments*, *The Sunset Strip*, *Thirty-four Parking Lots*, *Nine Swimming Pools* and the just published *A Few Palm Trees*. Mr. Ruscha is a reporter. He just goes out and gets the facts, and he finds he tends to stick with an idea till it is finished. Mr. Ruscha loves working with his camera.
